Crescent Park

www.mrta.mb.ca/wta

Situated alongside Crescent Park Golf course, this park has many trails weaving throughout. By far the most scenic trail follows the Red River, but in high water conditions many not always be accessible.

There is a sheltered picnic area and many fire pits, washrooms and a play structure. Crescent Park trails lead into quiet residential streets along South Drive and into Wildwood Park trails.

Crescent Park Trail Features

- Parking:** Within the park
- Distance:** 4.7 km
- Surface Type:** Compacted gravel and well worn Grass paths.
